

# CREATE SERVICE INSTANCE

## IBM CLOUD

The screenshot shows the IBM Cloud 'Resource list' page. The browser address bar displays 'cloud.ibm.com/resources'. The page header includes the IBM Cloud logo, a search bar, and navigation links for 'Catalog', 'Manage', and the user account 'Yuvarshree A's Account'. A 'Create resource' button is located in the top right corner.

The main content area is titled 'Resource list' and features a table with the following columns: Name, Group, Location, Product, Status, and Tags. Below the table, there are several filter boxes: 'Filter by name or IP address...', 'Filter by group or org...', 'Filter...', 'Filter...', 'Filter...', and 'Filter...'. The table is currently empty, showing only category headers with zero counts: Compute (0), Containers (0), Networking (0), Storage (0), AI / Machine Learning (0), Analytics (0), Blockchain (0), Databases (1+), Developer tools (0), Logging and monitoring (0), Migration (0), Integration (0+), and Internet of Things (0).

The Windows taskbar at the bottom shows the search bar, task view button, and several open applications including Edge, File Explorer, and various communication tools. The system clock indicates 1:48 PM on 11/20/2022.
